

BIGHNESWAR BISHOYI

Rourkela, Odisha

+91 8249141054 bishoyibighneswar@gmail.com www.linkedin.com/in/bighneswar-bishoyi-3b4267222

Education

Indira Gandhi Institute of Technology

December 2020 - June 2024

Bachelor of Technology in Computer Science (CGPA of 8.80)

Odisha, India

Experience

Echio

March 2024 – August 2024

Software Engineer Intern

- Implemented in-house video streaming supporting HLS and Adaptive Bitrate Streaming (ABS) with React.js, contributing to client satisfaction.
- Initiated a white-label solution across agency domains by implementing a custom API for themeing using Material UI, enabling customization for agency portfolio

Mindfire Solutions

February 2025 – Present

Associate Software Developer

- Migrated a legacy FileMaker-based airline catering system into a modern React-based web application, improving performance, UI flexibility, and maintainability.
- Worked closely with Oman Air to tailor features for realtime catering logistics, optimizing operational accuracy.

Projects

SocialChirp | JavaScript, NodeJs, MongoDB, Express, AWS S3 |

4

- Developed a robust backend for SocialChirp using Node.js and MongoDB.
- Implemented secure authentication with Passport.js.
- Integrated AWS S3 for efficient image storage and retrieval, enabling users to upload and display images in tweets and comments.
- Enhanced user engagement by implementing features like commenting on tweets, replying to comments, and hashtag-based tweet search.

2048 Game Deployment on AWS EKS with Fargate | AWS EKS, Ingress Controller, Kubernetes |

4

- Deployed and managed a Kubernetes cluster using AWS Elastic Kubernetes Service (EKS) with Fargate.
- Deployed the 2048 game application from GitHub using kubectl.
- Set up Ingress controller for routing traffic within the cluster.
- Implemented an AWS Load Balancer using Helm for external access to the application.

Achievements

- Highest rating of **1669** and rated **3*** at Codechef, which is the top site in terms of participation of programmers across globe.
- Secured **global rank of 840, 543, 747** respectively in Codechef's Starters 14, Starters 16, Starters 16 among 12k+ participants.
- Completed AWS Academy Graduate - **AWS Academy Cloud Foundation** course covering AWS cloud services and core concepts.
- Completed **CISCO Networking Basics** - gained strong understanding of routing, switching, protocols, and connectivity testing.
- Solved more than 500+ problems across platforms.
